

Do you?

- ✓ Want to improve Cancer services
- ✓ Feel passionately about the quality of services provided to cancer patients
- ✓ Have cancer or care for someone who does

(Carers include family members and friends)

If your answer is *'Yes'* you may like to become involved.

Patients, Carers and Professionals working together to improve the cancer journey

Your experience could influence local cancer services

Shropshire and Mid Wales
Cancer Forum

What does the group do?

The Shropshire & Mid Wales

Cancer Forum

is a partnership between service users and service providers established with the objective of

"Improving cancer services in

Shropshire & Mid Wales"

That means we work together with health professionals to improve the cancer journey.

How can I get involved?

Members choose how much they want to get involved. Some attend just the monthly forum meetings, others choose to get more involved attending other meetings or taking on tasks within the group. It's up to each individual how much time they spend.

Does it cost anything?

We are able to pay travel and car parking expenses – so you won't be out of pocket.

Is it a support group?

No, but members find it a supportive environment and gain by contributing.

Do I need any qualifications?

No qualifications are needed, just your own experiences. And it's possible to attend workshops and training.

Where do you meet and how often?

We meet on the second Tuesday of the month, either at the Hamar Centre, Shrewsbury Hospital or at the Princess Royal Telford

Is it for me?

Anyone interested is most welcome to attend our meetings. The Forum welcomes people whether they wish simply to listen, learn and discuss, or take an active part in the developing programme of work.

Either give us a call for an informal chat or come along to a meeting. We meet informally half an hour before our formal meetings start so we can meet new members and spend some social time together.
